Dear Harold:

I am glad you got to talk to your friend. I also am going to be tied up and a ten (10) week delay suits me just fine. I am asking my secretary to go back through our correspondence about Jimmy Robinson as I have either done it and forgotten to give it to you, or forgotten it in the first place.

Very truly yours,

Paul M. Rothermel, Jr.

P.S. enclosure maybe one you didn't receive.
